### **The Commercial Appeal Names Evolve Bank & Trust A Winner of the Memphis 2017 Top Workplaces Award**

MEMPHIS, TN, December 11, 2017 – Evolve Bank & Trust (“Evolve”), has been awarded a 2017 Top Workplaces honor by The Commercial Appeal. The Top Workplaces lists are based solely on the results of an employee feedback survey administered by Energage, LLC (formerly WorkplaceDynamics), a leading research firm that specializes in organizational health and workplace improvement. Several aspects of workplace culture were measured, including Alignment, Execution, and Connection, just to name a few.

“The Top Workplaces award is not a popularity contest. And oftentimes, people assume it’s all about fancy perks and benefits,” said Doug Claffey, CEO of Energage. “But to be a Top Workplace, organizations must meet our strict standards for organizational health. And who better to ask about work life than the people who live the culture every day—the employees. Time and time again, our research has proven that what’s most important to them is a strong belief in where the organization is headed, how it’s going to get there, and the feeling that everyone is in it together. Claffey adds, “Without this sense of connection, an organization doesn’t have a shot at being named a Top Workplace.”

“This award recognizes the unwavering passion and commitment of our employees,” said Scott Stafford, President/CEO, Evolve Bank & Trust. “We remain steadfast and true to our mission statement of being a responsible citizen and business leader, making available the highest quality financial services while implementing sound and stable policies benefiting our customers and coworkers. I want to thank all of our dedicated staff who made this possible.”
